Hi!

How the middle of the U.S.A doing - it can be small - my dog only two feet away as I write this was born in Kansas - but anyway -, read about you EP in New York Rocker and am writing this in hope of getting you to send us here @ WCUW a copy for airplay - our playlist is on reverse side - a while back we played another Kansas band - the Leopards - even did an interview with them - any idea what happened to them?

Anyway - any help we can be to you let us know.

Ryan
